

Are you looking to take your fitness center to the next level? Adding a treadmill can be a game-changer, and the [Fitnex T65D](#) is the ultimate solution!

Intertek

Here's why the [Fitnex T65D](#) is the best choice for your fitness center:

* **Extreme Workout Capabilities:** It is designed to meet the needs of even the most intense workouts. Whether your members are training for a marathon or simply aiming to improve their cardio endurance, this treadmill can handle it all!

• **Enhanced Features for Maximum Comfort:** It goes above and beyond with its additional features. With a two-speed adjustable fan, left and right cup holders, an adjustable book/magazine rack, a 7.5" LCD monitor, USB charging port, built-in speakers, and an SDS cushioning system with 8 cushions, your members will have everything they need for a comfortable and enjoyable workout.

* **Versatile Programs for Varied Fitness Goals:** With a total of 12 programs, It offers a wide range of options to cater to different fitness goals. From interval training to hill workouts, your members will have access to diverse programs that keep them engaged and motivated.

* **Powerful Motor and Impressive Speed Range:** It features a 4.0 HP DC motor and a speed range of 0.5 to 12.5 MPH. This allows your members to customize their workouts according to their preferences and gradually increase their intensity as they progress.

•
* **Exceptional Cushioning and Spacious Running Area:** The 8-point SDS cushioning system provides optimal shock absorption, reducing the impact on joints and minimizing the risk of injuries. With a generous running area of 60" x 20", your members will have ample space to move comfortably.
