

If you are researching Fitnex exercise bikes then you have done your homework! While many people have never heard of the brand, it is one of the best-built, best-priced, best value brands on the market today.

Get fit and stay fit with our affordable, light-commercial grade **B55SG** upright exercise bike. Perfect for improving your cardiovascular health, strengthening your legs, and provides ideal training cyclers during inclement weather.

Display –
Easy-to-Read LCD white backlit display: Time, Distance, RPM, Heart Rate, Level, Watt, Speed and Calories.

Get your Fitnex on!

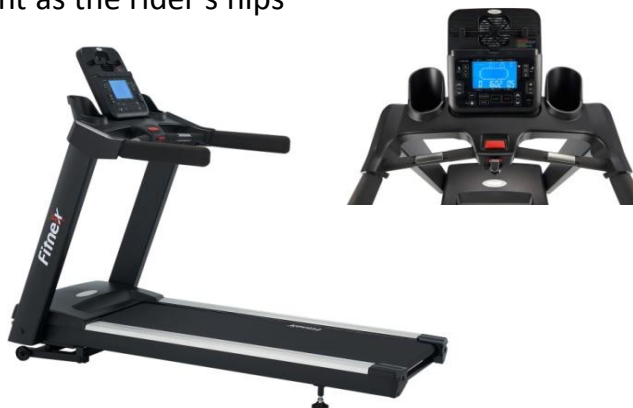

R55SG is a recumbent bike, which means it has a different body positioning than normal bikes. These stationary bikes put the body in a “recumbent” or horizontal position, so that the pedals are at about the same height as the rider’s hips

**EN 957
CERTIFIED**

E55SG Elliptical Machine – Roomy Stride, Small Footprint
Is a smooth front-drive machine that has a “Space-Saver” footprint yet offers a roomy 20” stride.
